SECRETARY: MS. F. CASSIEM

26 March 2026

Subject: Important Notice Regarding Team

Dear Members, Principals, Parents, and Coaches,

It has come to the attention of the Western Cape Schools Athletics Executive that an altered list of the Western Cape High and LSEN Schools Team has been circulated. We want to clarify that the Western Cape Schools Athletics (WCSA) has not authorized any modifications to the original team list that was previously disseminated. The officially sanctioned team, which includes the complete list of names, remains the only valid document recognized by WCSA.

We understand the importance of having accurate and official documentation, particularly as it pertains to our athletes' participation in events. To ensure that all stakeholders are aligned with the correct information, we encourage you to refer to the official team list available on our website:

<https://www.westerncapeschoolsathletics.co.za/highschools/sen>

This document should serve as the definitive guide regarding team selections and representations.

Thank you for your cooperation in this matter. We appreciate your commitment to upholding the integrity of our athletics programs and ensuring that our athletes receive the recognition they deserve.

Regards,

Western Cape Schools Athletics Executive
